BESURAS HAGEULO

The Announcement Of The Redemption

69

In our generation - the last generation of exile and the first generation of Redemption - after the tremendous amount of "our efforts and Divine service" of the Jewish people throughout all the previous years and generations, and now even the last purification has been accomplished, now the main emphasis must be first of all on completing, concluding and perfecting the Divine service - to bring the "Gimmel" - the third stage of the true and complete Redemption, in actual reality!
